Scope of the Yearbook

A world directory of the Seventh-day Adventist Church is given in the following pages. It includes the General Conference and its international divisions, union and local conferences and missions, and related institutions. Institutions that are managed but not fully owned and operated by church entities are not included. The information has been furnished by the organizations themselves, but in cases where current reports have not been received, the most recent previous records have been retained or adjusted. This publication does not define church structure or describe legal relationships among church entities. No listed entity assumes any responsibility for the liabilities, debts, or alleged acts or omissions of any other church entity simply because of its inclusion in this Yearbook. Persons with grievances or claims against a listed entity must directly address the entity involved and not any other entity or organization.

In the division/union/conference/mission sections, employees are listed as follows: ordained ministers holding ministerial credentials, credentialed commissioned ministers, credentialed commissioned teachers, and credentialed missionaries. The Directory of Credentialed Employees gives the names and addresses of these individuals. Institutional employees are listed separately in the Index of Institutional Employees.

The data that appears below has been summarized largely from the 2005 Annual Statistical Report, while the figures for the number of churches and for church membership throughout the Yearbook are drawn from official reports rendered for June 30, 2006.

Denominational History

Seventh-day Adventists are, doctrinally, heirs of the Millerite Movement of the 1840's. Although the name “Seventh-day Adventist” was chosen in 1860, the denomination was not officially organized until May 21, 1863, when the movement included some 125 churches and 3,500 members. Work was largely confined to North America until 1874 when the Church's first missionary, J. N. Andrews, was sent to Switzerland. The first non-Protestant Christian country entered was Russia, where an Adventist minister went in 1886. On October 20, 1890, the schooner Pitcairn was launched at San Francisco, California, and was soon engaged in carrying missionaries to the Pacific islands. Seventh-day Adventist workers first entered non-Christian countries in 1894—Gold Coast (Ghana), West Africa, and Matabeleland, South Africa. The same year saw missionaries entering South America, and in 1896 there were representatives in Japan. The Church has established work in 203 countries.

The publication and distribution of literature were major factors in the growth of the Advent Movement. The Adventist Review and Sabbath Herald (now the Adventist Review), general church paper, was launched in Paris, Maine in 1850; the Youth's Instructor in Rochester, New York, in 1852; and the Signs of the Times in Oakland, California, in 1874. The first denominational publishing house at Battle Creek, Michigan, began operating in 1855 and was duly incorporated in 1861 under the name of Seventh-day Adventist Publishing Association.

The Health Reform Institute, later known as the Battle Creek Sanitarium, opened in 1866, and missionary society work organized on a state-wide basis in 1870. The first of the Church's worldwide network of schools was established in 1872, and 1877 saw the formation of state-wide Sabbath school associations. In 1903, denominational headquarters moved from Battle Creek, Michigan, to Washington, D.C., and in 1989 to Silver Spring, Maryland, where it continues to form the nerve center of an ever-expanding work.

The distinctive Seventh-day Adventist message may be summarized as “the everlasting gospel,” the basic Christian message of salvation through faith in Christ, in the special setting of the threefold message of Revelation 14:6-12, the call to worship the Creator, “for the hour of his judgment is come.” This message is epitomized in the phrase, “the commandments of God, and the faith of Jesus,” the ever-expanding work.

FUNDAMENTAL BELIEFS

OF SEVENTH-DAY ADVENTISTS

(As amended at the 58th session held in St. Louis, Missouri, June 29 to July 9, 2005.)

Seventh-day Adventists accept the Bible as the only creed and hold certain fundamental beliefs to be the teaching of the Holy Scriptures. These beliefs, as set forth here, constitute the church’s understanding and expression of the teaching of Scripture. Revision of these statements may be expected at a General Conference session when the church is led by the Holy Spirit to a fuller understanding of Bible truth or finds better language in which to express the teachings of God’s Holy Word.

1. Holy Scriptures

The Holy Scriptures, Old and New Testaments, are the written Word of God, given by divine inspiration through holy men of God who spoke and wrote as they were moved by the Holy Spirit. In this Word, God has committed his acts in history. (2 Peter 1:20, 21; 2 Tim. 3:16, 17; Ps. 119:105; Prov. 30:5, 6; Isa. 8:20; John 17:17; 1 Thess. 2:13; Heb. 6:4.)

2. Trinity

There is one God: Father, Son, and Holy Spirit, a unity of three co-eternal Persons. God is immortal, all-powerful, all-knowing, above all, and ever present. He is infinite and beyond human comprehension, yet known through His self-revelation. He is forever worthy of worship, adoration, and service by the whole creation. (Deut. 6:4; Matt. 28:19; 2 Cor. 13:14; Eph. 4:4-6; 1 Peter 1:2; 1 Tim. 1:17; Rev. 14:7.)

3. Father

God the eternal Father is the Creator, Source, Sustainer, and Sovereign of all creation. He is just and holy, merciful and gracious, slow to anger, and abounding in steadfast love and faithfulness. The qualities and powers exhibited by the Son and the Holy Spirit are also revelations of the Father. (Gen. 1:1; Rev. 4:11; 1 Cor. 15:28; John 3:16; 1 John 4:8; 1 Tim. 1:17; Ex. 34:6, 7; John 14:9.)

4. Son

God the eternal Son became incarnate in Jesus Christ. Through Him all things were created, the character of God is revealed, the salvation of humanity is accomplished, and the world is judged. Forever truly God, He became also truly man. In His life, Divine-human, God walked with man in the garden of Eden. The Son of God became the Son of Adam, and Adam became the Son of God. (John 1:1-3, 14; Col. 1:15-19; John 10:30; 14:9; Rom. 6:3; 2 Cor. 5:17-19; John 5:22; Luke 1:35; Phil. 2:5-11; Heb. 2:9-18; 1 Cor. 15:3, 4; Heb. 8:1; 2 John 14:13.)

5. Holy Spirit

God the eternal Spirit was active with the Father and the Son in Creation, incarnation, and redemption. He inspired the writers of Scripture. He filled Christ’s life with power. He draws and convicts human beings; and those who respond He renews and transforms into the image of God. Sent by the Father and the Son to be always with His children, He extends spiritual gifts to the church, empowers it to bear witness to Christ, and in harmony with the Scriptures leads it into all truth. (Gen. 1:1, 2; Luke 1:35; 4:18; Acts 10:38; 2 Peter 1:21; 2 Cor. 3:18; Eph. 4:11, 12; Acts 1:8; John 14:16-18, 26; 15:27; 16:7-13.)

6. Creation

God is Creator of all things, and has revealed in Scripture the authentic account of His creative activity. In six days the Lord made “the heaven and the earth” and all living things upon the earth, and rested on the seventh day of that first week. Thus He established the Sabbath as a perpetual memorial of His completed creative work. The first man and woman were made in the image of God as the crowning work of Creation, given dominion over the world, and charged with responsibility to care for it. When the world was finished it was “very good,” declaring the glory of God. (Gen. 1; 2; Ex. 20:8-11; Ps. 19:1-6; 33:6, 9; 104; Heb. 11:3.)

7. Nature of Man

Man and woman were made in the image of God with individuality, the power and freedom to think and to do. Though created free beings, each is an indivisible unity of body, mind, and spirit, dependent upon God for life and breath and all else. When our first parents disobeyed God, they denied their dependence upon Him and fell from their high position under God. The image of God in them was marred and they became subject to death. Their descendants share this fallen nature and its consequences. They are born with weaknesses and tendencies to evil. But God in Christ reconciled the world to Himself and by His Spirit restores in penitent mortals the image of their Maker. Created for the glory of God, they are called to love Him and one another, and to care for their environment. (Gen. 1:26-28; 2:7; Ps. 8:4-8; Acts 17:24-28; Gen. 3; Ps. 51:5; Rom. 5:12-17; 2 Cor. 5:19, 20; Ps. 51:10; 1 John 4:7, 8, 11, 20; Gen. 2:15.)

8. Great Controversy

All humanity is now involved in a great controversy between Christ and Satan regarding the character of God, His law, and His sovereignty over the universe. This conflict originated in heaven when a created being, endowed with freedom of choice, in self-exaltation became Satan, God’s adversary, and led into rebellion a portion of the angels. He introduced the spirit of rebellion into this world when he led Adam and Eve into sin. This human sin resulted in the distortion of the image of God in humanity, the disordering of the created world, and its eventual devastation at the time of the worldwide flood. Observed by the whole creation, this world became the arena of the universal conflict, out of which the grace of God will ultimately be vindicated. To assist His people in this controversy, Christ sends the Holy Spirit and the loyal angels to guide, protect, and sustain them in the way of salvation. (Rev. 12:4-9; Isa. 14:12-14; Eze. 28:12-18; Gen. 3; Rom. 5:19-32; 5:12-21; 8:39; 22; Gen. 6:8; 2 Peter 3:6; 1 Cor. 4:9; Heb. 1:14.)

9. Life, Death, and Resurrection of Christ

In Christ’s life of perfect obedience to God’s will, His suffering, death, and resurrection, God provided the only means of atonement for human sin, so that those who by faith accept this atonement may have eternal life, and the whole creation may better understand the infinite and holy love of the Creator. This perfect atonement vindicates the righteousness of God’s law and the graciousness of His character; for it both condemns our sin and provides for our forgiveness. The death of Christ is substitutionary and expiatory, reconciling and transforming. The resurrection of Christ proclaims God’s triumph over the forces of evil, and for those who accept the atonement assures their final victory over sin and death. It declares the Lordship of Jesus.
Christ, before whom every knee in heaven and on earth will bow. (John 1:16; 3:16; 6:48-63.)

10. Experience of Salvation
In infinite love and mercy God made Christ, who knew no sin, to be sin for us, so that in Him we might be made the righteousness of God. Led by the Holy Spirit we sense our need, acknowledge our sinfulness, repent of our transgressions, and exercise faith in Jesus as Lord and Christ, as Substitute and Example. This faith which receives salvation comes through the divine power of the Word and is the gift of God's grace. Through Christ we are justified, adopted as God's sons and daughters, and delivered from the lordship of sin. Through the Spirit we are born again and sanctified; the Spirit renews our minds, writes God's law of love in our hearts, and we are given the power to live a holy life. Abiding in Him we become partakers of the divine nature and have the assurance of salvation now and in the judgment. (Rom. 12:4; 1 John 4:4; Heb. 10:25.)

11. Growing in Christ
By His death on the cross Jesus triumphed over the forces of evil. He who subjugated the demonic spirits during His earthly ministry has broken their power and made certain their ultimate doom. Jesus' victory gives us victory over the evil forces that still seek to control us, as we walk with Him in peace, joy, and assurance of His love. Now the Holy Spirit dwells within us and empowers us. Continually committed to Jesus as our Saviour and Lord, we are set free from the burden of our past deeds. No longer do we live in the darkness, fear of evil powers, ignorance, and meaninglessness of our former way of life. In this new freedom in Christ, we are called to grow into the likeness of His character, communing with Him daily in prayer, feeding on His Word, meditating on it and on His providence, singing His praises, gathering together for worship, and participating in the mission of the Church. As we give ourselves in loving service to those around us and in witnessing to His salvation, His constant presence with us through the Spirit transforms every moment and every task into a spiritual experience. (Ps 1:1, 2; 23:4; 27:11, 12; Col 1:13, 14; 2:6, 14, 15; Luke 10:17-20; Eph 5:19, 20; 6:12-13; 1 Thess 5:23; 2 Peter 1:2; 2 Cor. 13; 1:13, 14; Rom 8:14-17; Gal 3:26; John 3:3-8; 1 Peter 1:23; Rom. 12:2; Heb. 8:7-12; Ezk. 36:25-27; 2 Peter 1:3, 4; Rom. 8:1-4; 5:6-10.)

12. Church
The church is the community of believers who confess Jesus Christ as Lord and Saviour. In continuity with the people of God in Old Testament times, we are called out from the world, and we join together for worship, for fellowship, for instruction in the Word, for the celebration of the Lord's Supper, for service to all mankind, and for the worldwide proclamation of the gospel. The church derives its authority from Christ, who is the incarnate Word, and from the Scriptures, which are the written Word. The church is God's family; adopted by Him as children, its members live on the basis of the new covenant. The church is the body of Christ, a community of faith to which Christ Himself is the Head. The church is the bride for whom Christ died that He might sanctify and cleanse her. At His return in triumph, He will present to Himself a glorious church, the faithful of all the ages, the purchase of His blood, not having spot or blemish. (Gen. 12:3; Acts 7:38; Eph. 4:11-13; 5:28-30; Matt. 28:19; 20:16-13; 18:18; Eph. 2:19-22; 1:22, 23; 5:23-27; Col. 1:17, 18.)

13. Remnant and Its Mission
The universal church is composed of all who truly believe in Christ, but in the last days, a time of widespread apostasy, a remnant has been called out to keep the commandments of God and the Word of the Lord. This remnant announces the arrival of the judgment hour, proclaims salvation through Christ, and heralds the approach of His second advent. This proclamation is symbolized by the three angels of Revelation 14; it coincides with the work of judgment in heaven and results in a work of repentence and reform on earth. Every believer is called to have a personal part in this worldwide witness. (Rev. 12:17; 14:6-12; 18:1-4; 2 Cor. 5:10; Jude 3, 14; 1 Peter 1:16-19; 2 Peter 3:10-14; Rev. 21:1-14.)

14. Unity in the Body of Christ
The church is one body with many members, called from every nation, kindred, tongue, and people. In Christ we are a new creation; distinctions of race, culture, learning, and nationality, and differences between high and low, rich and poor, male and female, must not be divisive among us. We are all equal in Christ, who by one Spirit has united us into one fellowship with Him and with one another; we are to serve and be served without partiality or reservation. Through the revelation of Jesus Christ in the Scriptures we share the same faith and hope and reach out in one witness to all. This unity has its source in the oneness of the triune God, who has adopted us as His children. (Rom. 12:4, 5; 1 Cor. 12:12-14; Matt. 28:19, 20; Acts 1:10, 11; 2 Cor. 5:16, 17; Acts 17:26, 27; Gal. 3:27, 29; Col. 3:10 15; Eph. 4:14-16; 4:1-6; John 17:20-23.)

15. Baptism
By baptism we confess our faith in the death and resurrection of Jesus Christ, and testify of our death to sin and of our purpose to walk in newness of life. Thus we acknowledge Christ as Lord and Saviour, become His people, and are received as members by His church. Baptism is a symbol of our union with Christ, the forgiveness of our sins, and our reception of the Holy Spirit. It is by immersion in water and is contingent on an affirmation of faith in Jesus and evidence of repentance of sin. It follows instruction in the Holy Scriptures and acceptance of their teachings. (Rom. 6:6; Col. 2:12, 13; Acts 16:30-33; 22:16; 2:38; Matt. 28:19, 20.)

16. Lord's Supper
The Lord's Supper is a participation in the emblems of the body and blood of Jesus as an expression of faith in Him, our Lord and Saviour. In this experience of communion Christ is present in the person and strength of His people. As we partake, we joyfully proclaim the Lord's death until He comes again. Preparation for the Supper includes self-examination, repentance, and confession. The Master ordained the service of foot-washing to signify renewed cleansing, to express a willingness to serve one another in Christlike humility, and to unite our hearts in love. The communion service is open to all believing Christians. (1 Cor. 10:16, 17; 11:23-30; Matt. 26:17-30; Rev. 3:20; John 6:68-63; 13:1-17.)

17. Spiritual Gifts and Ministries
God bestows upon all members of His church in every age spiritual gifts which each member is to employ in loving service to all mankind, for the common good of the church and of humanity. Given by the agency of the Holy Spirit, who apportions to each member as He wills, these gifts provide all abilities and ministries needed by the church to fulfill its divinely ordained functions. According to the Scriptures, these gifts include such ministries as faith, healing, prophecy, proclamation, teaching, administration, exorcism, compassion, and self-sacrificing service and charity for the help and encouragement of people. Some members are called of God and endowed by the Holy Spirit for such service, recognized by the church in pastoral, evangelistic, apostolic, and teaching ministries particularly needed to equip the members for service, to build up the church to spiritual maturity, and to foster unity of the faith and knowledge of God. When members employ these spiritual gifts as faithful stewards of God's varied grace, the church is protected from the destructive influence of false doctrine, grows with a growth that is from God, and is built up in faith and love. (Rom. 12:4-8; 1 Cor. 12:9-11, 28; Eph. 4:8; 11:16; Acts 6:1-7; 1 Tim. 3:1-13; 1 Peter 4:10, 11.)
18. Gift of Prophecy
One of the gifts of the Holy Spirit is prophecy. This gift is an identifying mark of the remnant church and was manifested in the ministry of Ellen G. White. As the Lord’s messenger, her writings are a continuing and authoritative source of truth which provide for the church comfort, guidance, instruction, and correction. They also make clear that the Bible is the standard by which all teaching and experience must be tested. (Joel 2:28, 29; Acts 2:14-21; Heb. 1:1-3; Rev. 12:17, 19:10.)

19. Law of God
The great principles of God’s law are embodied in the Ten Commandments and the Christian standards of living. They express God’s love, will, and purposes concerning human conduct and relationships and are binding upon all people in every age. These precepts are the basis of God’s covenant with His people and the standard in God’s judgment. Through the agency of the Holy Spirit they point out sin and awaken a sense of need for a Saviour. Salvation is all of grace and not of works, but its fruitage is obedience to the Commandments. This obedience develops Christian character and results in a sense of well-being. It is an evidence of our love for the Lord and our concern for our fellow men. The obedience of faith demonstrates the power of Christ to transform lives, and therefore strengthens Christian witness. (Ex. 20:1-17; Ps. 40:7, 8; Matt. 22:36-40; Deut. 28:1-14; Matt. 5:17-20; Heb. 8:6-10; John 15:7-10; Eph. 2:8-10; 1 John 5:3; Rom. 8:3; Ps. 19:14.)

20. Sabbath
The blessed Creator, after the six days of Creation, rested on the seventh day and instituted the Sabbath for all people as a memorial of Creation. The fourth commandment of God’s unchangeable law requires the observance of this seventh-day Sabbath as the day of rest, worship, and ministry in harmony with the teaching and practice of Jesus, the Lord of the Sabbath. The Sabbath is a day of delightful communion with God and one another. It is a symbol of our redemption in Christ, a sign of our sanctification, a token of our allegiance, and a foretaste of our eternal future in God’s kingdom. The Sabbath is God’s perpetual sign of His eternal covenant between Him and His people. Joyful observance of this holy time from evening to evening, sunset to sunset, is a celebration of God’s creative and redemptive acts. (Gen. 2:1-3; Ex. 20:1-11; Luke 4:16; Isa. 56:6, 7; 58:13, 14; Matt. 12:1-12; Ex. 31:13-17; Eze. 20:12, 20; Deut. 5:13-15; Heb. 4:1-11; Lev. 23:32; Mark 1:32.)

21. Stewardship
We are God’s stewards, entrusted by Him with time and opportunities, abilities and possessions, and the blessings of the earth and its resources. We are responsible to Him for their proper use. We acknowledge God’s ownership by faithful service to Him and our fellow men, and by returning tithes and giving offerings for the proclamation of His gospel and the support and growth of His church. Stewardship is a privilege given to us by God for nurture in love and the victory over selfishness and covetousness. The steward rejoices in the blessings that come to others as a result of his faithfulness. (Gen. 1:26-28; 2:15; 1 Chron. 29:14; Haggai 1:3-11; Mal. 3:8-12; 1 Cor. 9:9-14; Matt. 23:23; 2 Cor. 8:1-15; Rom. 15:26, 27.)

22. Christian Behavior
We are called to be a godly people who think, feel, and act in harmony with the principles of heaven. For the Spirit to recreate in us the character of our Lord we involve ourselves only in those things which will produce Christlike purity, health, and joy in our lives. This means that our amusement and entertainment should meet the highest standards of Christian taste and beauty. While recognizing cultural differences, our dress is to be simple, modest, and neat, befitting those whose true beauty does not consist of outward adornment but in the imperishable ornament of a gentle and quiet spirit. It also means that because our bodies are the temples of the Holy Spirit, we are to care for them intelligently. Along with adequate exercise and rest, we are to adopt a: 2 Cor. 12:9-11; Mat. 24:43; 1 Thess. 4:3-18; 1 Cor. 15:51-54;

23. Marriage and the Family
Marriage was divinely established in Eden and affirmed by Jesus to be a lifelong union between a man and a woman in loving companionship. For the Christian a marriage commitment to is God as well as to the spouse, and should be entered into only between partners who share a common faith. Mutual love, honor, respect, and responsibility are the fabric of this relationship, which is to reflect the love, sanctity, closeness, and permanence of the relationship between Christ and His church. Regarding divorce, Jesus taught that the person who divorces a spouse, except for fornication, and marries another, commits adultery. Although some family relationships may fall short of the ideal, marriage partners who fully commit themselves to each other in Christ may achieve loving unity through the guidance of the Spirit and the nurture of the church. God blesses the family and intends that its members shall assist each other toward complete maturity. Parents are to bring up their children to love and obey the Lord. By their example and their words they are to teach them that Christ is a loving disciplinarian, ever tender and caring, who wants them to become members of His body, the family of God. Increasing family closeness is one of the earmarks of the final gospel message. (Gen. 2:18-25; Matt. 19:3-9; John 2:1-11; 2 Cor. 6:14; Eph. 5:21-33; Matt. 5:31-32; Mark 10:11, 12; Luke 16:18; 1 Cor. 7:10, 11; Ex. 20:12; Eph. 6:1-4; Deut. 6:5-9; Prov. 22:6; Mal. 4:5, 6.)

24. Christ’s Ministry in the Heavenly Sanctuary
There is a sanctuary in heaven, the true tabernacle which the Lord set up and not man. In it Christ ministers on our behalf, making available to believers the benefits of His atoning sacrifice offered once for all on the cross. He was inaugurated as our great High Priest and began His intercessory ministry at the time of His ascension. In 1844, at the end of the prophetic period of 2300 days, He entered the second and last phase of His atoning ministry. It is a work of investigative judgment which is part of the ultimate disposition of all sin, typified by the cleansing of the ancient Hebrew sanctuary on the Day of Atonement. In that typical service the sanctuary was cleansed with the blood of animal sacrifices, but the heavenly things are purified with the perfect sacrifice of Jesus, the Mediator of the new covenant. The investigatory judgment reveals to heavenly intelligences who among the dead are asleep in Christ and therefore, in Him, are deemed worthy to have part in the first resurrection. This also makes manifest who among the living are abiding in Christ, keeping the commandments of God and the faith of Jesus, and in Him, therefore, fit for translation to His everlasting kingdom. This judgment vindicates the justice of God in saving those who believe in Jesus. It declares that those who have remained loyal to God shall receive the kingdom. The completion of this ministry of Christ will mark the close of human probation before the Second Advent (Heb. 8:1-5; 4:14-16; 9:11-28; 10:19-22; 13:1, 16, 17; Dan. 7:27-8:13; 14:24-27; Num. 14:34; Eze. 4:6; Lev. 16; Rev. 14:6, 7; 2012; 2012:22:12.)

25. Second Coming of Christ
The second coming of Christ is the blessed hope of the church, the grand climax of the gospel. The Saviour’s coming will be literal, personal, visible, and worldwide. When He returns, the righteous dead will be resurrected, and together with the righteous living will be glorified and taken to heaven, but the unrighteous will die. The almost complete fulfillment of most lines of prophecy, together with the present condition of the world, indicates that Christ’s second coming is imminent. The time of that event has not been revealed, and we therefore exhort to be ready at all times. (Titus 2:13; Heb. 9:28; John 14:1-3; Mat. 24:4-14; 1 Thess. 1:7; Mat. 24:43, 44; 1 Thess. 4:13-18; 1 Cor. 15:51-54;
Our Mission—
The mission of the Seventh-day Adventist Church is to proclaim to all peoples the everlasting gospel in the context of the three angels’ messages of Revelation 14:6-12, leading them to accept Jesus as personal Saviour and to unite with His church, and nurturing them in preparation for His soon return.

Our Method—
We pursue this mission under the guidance of the Holy Spirit through:
1. Preaching—Accepting Christ’s commission (Matthew 28:18-20), we proclaim to all the world the message of a loving God, most fully revealed in His Son’s reconciling ministry and atoning death. Recognizing the Bible to be God’s infallible revelation of His will, we present its full message, including the second advent of Christ and the continuing authority of His Ten Commandment law with its reminder of the seventh-day Sabbath.

26. Death and Resurrection
The wages of sin is death. But God, who alone is immortal, will grant eternal life to His redeemed. Until that day death is an unconscious state for all people. When Christ, who is our life, appears, the resurrected righteous and the living righteous will be glorified and caught up to meet their Lord. The second resurrection, the resurrection of the unrighteous, will take place a thousand years later.

27. Millennium and the End of Sin
The millennium is the thousand-year reign of Christ with His saints in heaven between the first and second resurrections. During this time the wicked dead will be judged; the earth will be utterly desolate, without living human inhabitants, but occupied by Satan and his angels. At its close Christ with His saints and the Holy City will descend from heaven to earth. The unrighteous dead will then be resurrected, and with Satan and his angels will surround the city; but fire from God will consume them and cleanse the earth. The universe will thus be freed of sin and sinners forever. (Rev. 20; 1 Cor. 6:2, 3; Jer. 4:23-26; Rev. 21:1-5; Mal. 4:1; Eze. 28:18, 19.)

28. New Earth
On the new earth, in which righteousness dwells, God will provide an eternal home for the redeemed and a perfect environment for everlasting life, love, joy, and learning in His presence. For here God Himself will dwell with His people, and suffering and death will have passed away. The great controversy will be ended, and sin will be no more. All things, animate and inanimate, will declare that God is love; and He shall reign forever. Amen. (2 Peter 3:13; Isa. 35; 65:1-25; Matt. 5:5; Rev. 21:1-7; 22:1-5; 11:15.)

Departmental and association directors/secretaries, associates, and assistants shall assist the executive officers of the General Conference in their leadership and nurture of the Church, by promoting the plans and programs of the Church as approved by the Executive Committee, and by facilitating the involvement of the membership in the mission of the Church. This will be accomplished through the production of resources and through promotion, consultation, coordination, and leadership development. Departmental plans and programs shall be developed and coordinated by the departments under the direction of an administrative officer, be processed through administration, and receive Executive Committee approval, whenever deemed advisable, before implementation and promotion in the field.

ARTICLE XI—DIVISION DEPARTMENTS—DIRECTORS/SECRETARIES, ASSOCIATES, AND ASSISTANTS

Divisions shall appoint departmental, association, agency, and service directors/secretaries who shall serve under the direction of their respective division presidents and executive committees. They shall also appoint associates and assistants as and when necessary, as needed to serve in special capacities under the direction of their respective directors/secretaries.

These appointments shall normally be made at the time of the regular General Conference session, but in no event later than December 31 in the year of the regular General Conference session.

ARTICLE XII—DIRECTOR OF ARCHIVES AND STATISTICS

At the first Annual Council of the Executive Committee following a regular session, the General Conference shall appoint a director of Archives and Statistics whose duties shall be to administer the General Conference Archives and to compile and report the statistics of the world church.

The director of Archives and Statistics shall serve under the direction of the General Conference secretary and the Executive Committee.

ARTICLE XIII—EXECUTIVE COMMITTEE

Sec. 1. a. During the intervals between Sessions of the General Conference, the Executive Committee is delegated the authority to act on behalf of the General Conference in session. The membership of the Executive Committee includes representatives of all the divisions of the world field and the presidents of all union conferences and union missions, and therefore speaks for the world Church. Major items affecting the world Church are considered at the Annual Council meetings of the Executive Committee, when all the members of the Committee are invited to be present. The authority, therefore, of the Executive Committee is the authority of the world Church.

b. The Executive Committee shall also have power to grant or withdraw credentials or licenses, to appoint committees, such as an administrative committee, with their terms of reference, and to employ personnel that may be necessary to execute its work effectively.

c. The Executive Committee shall have power to elect or remove for cause, officers, directors, and associates, and associates, of departments/associations/services and committee mem-
members, and to fill for the current term any vacancies that may occur in its offices, boards, committees, or agents due to death, resignation, or other reasons. The phrase “for cause,” when used in connection with removal from an elected or appointed position, shall include but not be limited to 1) incompetence; 2) persistent failure to cooperate with duly constituted authority in substantive matters and with relevant employment and denominational policies; and 3) actions which may be the subject of discipline under the Church Manual.

d. The Executive Committee shall have power to effect the retirement, before the expiration of the term for which they have been elected, of persons elected under Article VI, Sec. 1 of the Constitution who may develop a health condition that prevents them from properly discharging their duties.

e. The removal from office by the Executive Committee of any person elected under Article VI, Sec. 1 of the Constitution or its withdrawal of credentials or licenses shall be by a two-thirds vote of the members present and voting at any regular meeting.

1. The Executive Committee shall have the power to remove, for cause, members from the Executive Committee or any committee for which it is responsible by a two-thirds vote of the members present and voting at any regular meeting.

Sec. 2. a. A meeting of the Executive Committee, known as the Annual Council, shall be held annually for the purpose of receiving budget requests and making appropriations, for the transaction of other business, and the adoption of policies that may be necessary in the operation of the worldwide work.

b. A meeting of the Executive Committee, known as the Spring Meeting, shall be held annually for the purpose of receiving the audited financial reports of the General Conference and for transacting regular Executive Committee business as provided for in the General Conference Working Policy relating to Spring Meetings.

Sec. 3. A majority of the full membership of the Executive Committee, including the president or a general vice president, shall be empowered to transact denominational business of any nature at any time and place.

Sec. 4. Any fifteen members of the Executive Committee, including an officer of the General Conference, shall, after due notice to available members, constitute a quorum of the Executive Committee for the disposition of routine items, and shall be empowered to transact business that is in harmony with the general plans outlined by the Executive Committee at the designated place of meeting of the Executive Committee as hereafter provided. A quorum of forty members is required for the disposition of nonroutine items such as major financial decisions, the dismissal of elected and appointed employees, and the election of presidents of divisions and of general vice presidents.

Sec. 5. All meetings of the Executive Committee shall be held at the General Conference headquarters, or at another place that may be voted by the Executive Committee.

Sec. 6. Meetings of the Executive Committee may be called at any time by the ranking officer of the General Conference who may be present at headquarters, and this officer, or any member of the Committee appointed by him, shall act as chairperson of the meeting.

Sec. 7. Local conference/mission/field presidents shall be invited to attend Annual Council meetings of the Executive Committee when it is held within the territory of their division. Such invitees shall be extended the privileges of full participation in all discussion and decision-making processes of the meeting.

Sec. 8. Divisions may send presidents of unions of churches to attend Annual Council meetings of the Executive Committee. Such invitees shall be extended the privileges of full participation in all discussion and decision-making processes of the meeting.

ARTICLE XIV—DIVISION EXECUTIVE COMMITTEES

Sec. 1. In each division, a division executive committee shall be constituted, as hereinafter provided, for the transaction of business pertaining to the division. The division executive committee functions on behalf of the General Conference Executive Committee in the division, and its authority shall be recognized by union and local organizations in matters of division administration and counsel. A division may establish for the use, benefit, and purpose of the church in countries of that division various legal entities and may entrust to these or to other entities previously established full responsibility for property, governance or other functions provided such responsibility is exercised in harmony with denominational policies and values.

Sec. 2. The executive committee of a division executive committee shall be the division president, the division secretary, the division treasurer, the division officers, the division vice presidents, and the division field secretaries; the heads of division institutions; the presidents of union conferences; the presidents of union missions; the presidents of unions of churches; the presidents of attached conferences/missions/fields; the directors of division departments, associations and services; and any members of the General Conference Executive Committee present. Other division executive committee members shall be appointed according to the policies of the division. Appointed members shall include representation from denominational employees and from church members in regular standing who are not denominationally employed. Denominational employee representation shall include some pastors and institutional personnel.

Sec. 3. The actions taken by division executive committees pertaining to the administration of affairs in division territories shall be considered final, provided they are in harmony with the plans and policy of the General Conference as set forth in the Constitution and Bylaws and with its Executive Committee actions at Annual Councils.

Sec. 4. Five members of a division executive committee, including the chairman, shall constitute a quorum for the transaction of routine business. When the chairman is unable to be present, the secretary may convene such a meeting at division headquarters and shall serve as chairperson.

Minority meetings of fewer than five members of the division executive committee may be held for the transaction of necessary routine business, but actions taken at such meetings shall not be final until the minutes of such meetings have been approved in a meeting with a quorum present. A quorum of ten members or 25 percent of the committee membership, whichever is greater, is required for the disposition of nonroutine items such as major financial decisions, the dismissal of elected and appointed employees, and the appointment of union mission officers.

ARTICLE XV—AUDIT OF THE GENERAL CONFERENCE

The Executive Committee shall have an audit of the financial statements of the General Conference and of the General Conference Corporation conducted by an external auditor at least once each calendar year. The external auditor shall also conduct an annual policy compliance audit of these organizations, and shall report annually the results of these audits to the Executive Committee and to the General Conference at its regular sessions.

ARTICLE XVI—REMUNERATION AND EXPENSES

Sec. 1. The Executive Committee shall appoint annually a minimum of eight persons not in its employ who, with officers of the General Conference and not less than seven presidents of union conferences, shall constitute a committee to review the remuneration, related allowances, and expenses of employees.

Sec. 2. The Executive Committee shall have power to make necessary adjustments from time to time in the remuneration of employees.

ARTICLE XVII—FUNDS

Sec. 1. The funds of the General Conference shall be as follows:

a. A percentage of the tithe receipts of the local conference/mission/field shall be forwarded through the union and division in accordance with the General Conference Working Policy.

b. A percentage of the tithe receipts of the union of churches shall be forwarded to the division in accordance with the General Conference Working Policy.

c. Regular mission offerings.

d. Special gifts. Proceeds from the maturities of planned giving designated for the General Conference.

ARTICLE XVIII—DIVISION RETIREMENT PLANS

Sec. 1. Divisions shall adopt a plan for the support of
retired and/or disabled employees and for dependent spouses and dependents of such employees in harmony with the principles set forth in the General Conference Working Policy.

Sec. 2. Such plans shall be funded by contributions from participating organizations as agreed upon by the respective division executive committees.

ARTICLE XIX—APPROPRIATIONS

Sec. 1. The Executive Committee shall make its appropriations to the world field at Annual Councils. These appropriations are to be based on budget requests from the fields.

Sec. 2. Appropriations shall be made subject to the receipt of the full amount of funds estimated in the General Conference budget. In case of a shortage, the distribution shall usually be on a pro rata basis to all the interests represented in the budget.

Sec. 3. Appropriations for major projects shall be held in trust for the purpose for which the appropriation was designated. In case the project is abandoned, the funds shall revert to the General Conference. Other funds appropriated to divisions shall be administered by the respective division executive committees.

Sec. 4. All funds raised in divisions, except the regular funds belonging to the General Conference as indicated under Article XVII, shall be used for the advancement of the work for which they were raised and are to be administered by the respective church entity in harmony with denominational policy.

Sec. 5. General Conference funds in all the world shall be made available to meet the annual appropriations of the General Conference.

ARTICLE XX—FINANCE

Sec. 1. To provide a working fund for regular operations and to protect against a possible financial emergency or depression, the General Conference shall maintain an amount of working capital as defined and specified in the Working Policy.

Sec. 2. The Executive Committee, acting through its legal agency, the General Conference Corporation, shall have power to make annuity contracts; but all moneys obtained in this way shall be invested in securities and not be made available for appropriations until the annuity contracts have matured.

Sec. 3. The tithes and mission offerings received by the General Conference shall be appropriated for the work of the Seventh-day Adventist denomination. It shall not be within the prerogative, therefore, of the Executive Committee, the Treasury, nor of any agent or agency of the denomination to lend these funds to private individuals, to endorse notes, sign bonds or other securities or in any other way to divert the funds of the General Conference from their intended purpose.

Sec. 4. The basis for computing goals and per capita funds shall be the membership on June 30 of the preceding year as officially recorded by the General Conference Office of Archives and Statistics.

ARTICLE XXI—INDEMNIFICATION

Sec. 1. To the extent permitted by law, the General Conference shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative, because he/she is or was a member of the General Conference Executive Committee or an officer, employee, or agent of the General Conference against expenses (including attorneys’ fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him/her in connection with such action, suit, or proceeding if he/she acted in good faith and in a manner he/she reasonably believed to be in or not opposed to the best interests of the General Conference, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his/her conduct was unlawful.

Sec. 2. This right of indemnification shall be in addition to, and not exclusive of, all other rights to which such member of the Executive Committee or officer may be entitled.

C  A tertiary-level institution offering one or more baccalaureate degrees under its own authority.

This list contains countries of the world, especially those given in the territorial descriptions of this Yearbook. Each one is accompanied by the name of the division, union conference, or union mission where it is located. The division name is used in cases where a country is divided into more than one union. Readers who wish to find the church organization in a given country should consult both this list and the index to find the page where the desired Seventh-day Adventist headquarters is given.

NOTE: * Indicates a region that is actually a subsidiary of a United Nations approved country.

A Glimpse of Your Church 125 Years Ago

One hundred and twenty-five years ago the General Conference voted to publish the very first Seventh-day Adventist Yearbook, a tradition that has continued until today. It is our privilege to include here the 1883 Yearbook in its entirety. The proceedings and statistics of this first edition reflect the state of the Church in 1882.

Included in this 72-page reprint are extensive minutes of Church entities and institutions, financial reports, general and state conference constitutions, and directories of the conferences and various organizations. Also included are 14 pages reporting on the 1882 General Conference Session, providing a window on the Church of Adventism’s pioneers.

This is an opportunity for you, the reader, to put yourself at the heart of the Seventh-day Adventist Church, and to glimpse the dreams of our predecessors who sought to emulate the heavenly kingdom here on earth.

INTRODUCTORY NOTE.

At the last session of the Seventh-day Adventist General Conference held in Rome, N. Y., commencing Dec. 7, 1882, the following resolution was unanimously passed by that body:

Resolved, That we request the President of the General Conference to arrange with the Publishing Committee of the S. D. A. Publishing Association to publish a book to be entitled "The Seventh-day Adventist Year Book," which shall contain such portions of the proceedings of the General Conference, and such other matters, as the Committee may think best to insert therein.

In accordance with this resolution, arrangements were made with the Publishing Committee, and after considerable delay, unavoidable in the preparation of a work of this kind, the following pages are presented as the result of their effort.

Secretary: Mary F. Stillman, Madison, Wis.

GENERAL CONFERENCE PROCEEDINGS.

TWENTY-FIRST ANNUAL SESSION.

Pursuant to appointment, the Conference assembled at the S. D. A. house of worship in Rome, N. Y., Dec. 7, 1882, at 9 a. m. Eld. Butler, President, in the chair. After singing a hymn, prayer was offered by Eld. J. H. Waggoner.

The organization of the Conference was effected by the presentation of credentials by delegates, as follows:—

Colorado: Uriah Smith.
Dakota: O. A. Olsen.
Indiana: S. H. Lane.
Minnesota: Harrison Grant, John Fulton, H. W. Norton.
Nebraska: Geo. B. Starr.
Province of Quebec: A. C. Bourdeau.
Texas: R. M. Kilgore.
Upper Columbia: J. H. Waggoner.
Vermont: A. S. Hutchins.
Wisconsin: H. W. Decker.

By vote, Bro. A. C. Neff was received as a representative from Virginia, and Eld. T. M. Steward as a delegate from Illinois in place of C. H. Bliss, who was not present, and J. O. Corliss as a representative of the General Southern Mission.

Eld. U. Smith stated that a Conference had been organized in Colorado, that wishes to be received as a member of the General Conference. The Conference has three churches with 164 members, and has a full corps of officers. It appointed him as delegate to the General Conference, provided it should be received.

It was then moved that the Colorado Conference be received as a member of the General Conference—Carried.

Eld. Haskell called the attention of the brethren to the fact that the Sabbath-keepers in Sweden had been organized into a Conference, with officers and a membership of about 150, and that it was anxious to become a part of the General Conference; whereupon it was moved that the Conference in Sweden be admitted into the sisterhood of Conferences.

Pending the action of the assembly on this question, the fact was mentioned that a European Conference had been organized, embracing the different missionary fields in Europe, including Sweden, and the question presented itself as to what relation the Conference in Sweden would sustain to that Conference, if it were admitted into the General Conference, and also what relation the European Conference sustains to the General Conference.

After remarks by Elds. Waggoner, Butler, Lane, Haskell, and St. John in reference to the question, it was moved that this matter be referred to a committee of three, to be appointed by the Chair—Carried.

Elds. Haskell, Waggoner, and Fargo were designated as said committee.

On account of their great length, it was moved to waive the reading of the minutes of the last annual session.

On motion, the Chair was authorized to appoint the standing committees. It was further moved, that a Committee of Committees and Licenses be considered as a standing committee—Carried.

Committee on Nominations: J. Fargo, Harrison Grant, J. B. Goodrich.

Committee on Auditing: A. R. Henry and E. S. Griggs, to act with the Executive Committee.

Reports from missionaries being called for, Eld. Corliss spoke for Virginia and North Carolina. They are greatly in need of help. In order to have the wants of the different missionary fields considered, it was moved that the Chair appoint a committee of four to act with himself in considering the wants of missionary fields—Carried.

S. N. Haskell, B. L. Whitney, R. M. Kilgore, and O. A. Olsen were requested to act in this capacity.

Eld. J. H. Waggoner introduced the following:
Resolved, That Article 3 of the Constitution of this Conference be amended by substituting the word "five" for the word "three," making the Executive Committee a committee of five instead of three, as at present.

This was spoken to by Elds. Hutchins, Waggoner, Andrews, Underwood, Littlejohn, Steward, Lane, Bourneau, St. John, and Bro. W. C. White, and in order to give more time for its consideration, it was by vote laid upon the table.

Following this, Eld. Smith read a report from Eld. J. N. Andrews in reference to the work in Switzerland, and Eld. Haskell related some very interesting experiences with Sabbath-keepers in Europe.

H. W. Decker and A. S. Hutchins were requested to act with the Chair as a committee to consider the question of enlarging the Auditing Committee, which was left over from the last session.

On motion, the Chair announced the following persons as a committee on preaching: B. L. Whitney, R. A. Underwood, D. B. Oviatt.

By vote, the Conference adjourned to call of Chair.

SECOND MEETING, 2 P. M.—Prayer by Eld. J. D. Van Horn. After roll-call, the minutes of the previous meeting were read and approved.

A considerable part of this meeting was occupied in listening to calls for labor from different delegates. Elds. Andrews, Steward, Olsen, and Waggoner spoke for Chicago, requesting the Conference to send the brethren there some efficient help. This brought up the subject of the proper division of Conferences, when it was moved that the Chair appoint a committee of four to act with the General Conference Committee to consider the matter of boundary lines between Conferences.—Carried. H. A. St. John, J. O. Corliss, R. M. Kilgore, and I. D. Van Horn were announced as this committee.

The committee appointed at the previous meeting, to consider the matter of enlarging the Auditing Committee, reported as follows:—

Your Committee would respectfully report that we recommend that the Constitution be changed by substituting for the words "two years," "four delegates who have not been in the employ of the Conference the preceding year!"

Geo. I. Butler.
H. W. Decker.
A. S. Hutchins.

Moved, to accept this report. After being spoken to, it was moved to amend by substituting "six" instead of "four."—Carried.

The question recurring on the original motion, it was passed.

Moved, that the Chair appoint the additional four members of the Auditing Committee.—Carried.

They were appointed, as follows: S. H. Lane, W. C. White, J. Fargo, H. W. Decker.

---

Eld. W. Farnsworth and J. M. Ross having arrived, they took their seats as delegates, the former representing Missouri and Nevada, and the latter Indiana.

Moved, that all brethren in good standing be invited to participate in the deliberations of the Conference.—Carried.

A letter from Chas. P. Whitford of Jacksonville, Fla., was read. There is a company of Sabbath-keepers there who desire help.

Adjourned to call of Chair.

THIRD MEETING, DEC. 8, 10 A. M.—Prayer was offered by Eld. Haskell.

Eld. D. A. Robinson and Bro. C. W. Comings took their seats at this meeting, as delegates from New England.

Eld Haskell proceeded to give an extended statement in regard to the European missions, especially the work in Switzerland, showing that a great work is being accomplished in Europe, and that there are a great many good openings for the introduction of the truth. But there is such a feeling there against anything that is American, that papers published in America and sent over to Europe cannot accomplish the good that those published in European countries can. There is great need of a German paper in Europe. The French paper has accomplished a great deal of good in removing prejudice and bringing the truth before the people. But Eld. Andrews is very feeble, and has not the help in the management of matters that he should have; neither can he visit the Sabbath-keepers in different parts and look after the various openings for labor. Somebody is needed to do this, and something must be done soon to supply this want.

Following these remarks, the Committee on Resolutions introduced the following:—

Whereas, We have listened with deep interest to the report given by Eld. Haskell of the European missions, showing the importance of the work, the necessity of maintaining it, and the need of further assistance in this direction; therefore—

Resolved, That we recommend that Eld. B. L. Whitney and family go, at their earliest convenience, to the assistance of Eld. Andrews, by connecting themselves especially with the work in Switzerland, laboring also to help other missions as opportunity may offer.

This was spoken to by Elds. Haskell, Butler, Waggoner, Oviatt, Bourneau, Cottrell, Whitney, and Bro. W. C. White, and pending action the Conference adjourned till 2:30 P. M.
Fourth Meeting, 2:30 P. M.—The meeting was opened with prayer by Eld. S. H. Lane.

The resolution under consideration at the previous meeting when adjournment took place, was taken up, and after being spoken to by Elds. Brown, Wilcox, and Bro. H. W. Norton, it was passed unanimously.

The Committee on Resolutions introduced the following:—

Resolved, That we recognize the necessity of publishing a German paper in Europe, and we hereby recommend the Conference Committee to arrange for such publication at the earliest possible opportunity.

This was discussed by Elds. Haskell, Butler, and Kilgores, and Bro. W. C. White, and passed.

A communication from Eld. J. N. Loughborough in reference to the condition and wants of the English mission was read, after which the meeting adjourned to call of Chair.

Fifth and Sixth Meetings, Sunday, Dec. 10.—H. W. Kellogg, additional delegate from Michigan, presented his credentials at this time.

These meetings were entirely occupied in listening to some very interesting remarks from Bro. G. H. Bell, in regard to education in general, and the manner of conducting the S. D. A. school at South Lancaster, Mass., in particular. The speaker proceeded to show that the popular method of filling the student’s mind with that which is not practical, and hurrying him through a certain course in order that he may obtain a diploma, is not true education. True education begins on the inside, at the core, with that which is practical. It builds up and strengthens a symmetry of character that, by and by, in after life, will show itself in some grand, good, and noble work for the world. The school at South Lancaster seeks to attain to this ideal. The teachers at this school have experienced that study and physical labor must be intermingled, in order to make a good school. Hence the time of the students there is divided into labor, study, and recreation hours; and the best of results are seen, both as to physical health, mental discipline, and progress in study.

Many interesting details in regard to the school were given, after which the meeting adjourned to call of Chair.

Seventh Meeting, Dec. 11, 10 a. m.—Prayer was offered by Eld. J. H. Cook.

The subject of education and the establishment of schools in different sections of the country, drew forth many interesting remarks from Elds. Haskell, Butler, Waggner, M. B. Miller, and Bro. W. C. White and G. H. Bell, during this meeting. Plans for the future of the South Lancaster school were mentioned, and also some brief explanations were given in regard to the closing of the Battle Creek College, showing what difficulties are to be met in the establishment and management of schools, and upon what principles schools should be conducted to meet the mind of God and forward his work. An account was also given of the establishment of the College at Healdsburg, Cal.

Eighth Meeting, 2:30 P. M.—Prayer by Eld. J. O. Corliss.

A. H. Hall, delegate from New York, took his seat at this meeting.

The reports of special committees being in order, the following was presented by the committee appointed to consider the wants of missionary fields:—

Your Committee recommend that the Executive Committee issue special credentials to those in the direct employ of the General Conference, showing the relation of each to the Conference; also the issue of local credentials and licenses to those laboring in fields outside of organized Conferences; these credentials and licenses to be continued from time to time by the General Conference, or at the discretion of the Conference Committee.

We also recommend that the California Conference supply Nevada with such help as it can consistently give; that an experienced laborer be sent to the Southern Atlantic States, to develop and build up the interest already existing; instruct those laboring there who are deficient in experience, and have supervision of the work, with the object of bringing up the cause in all its branches. And we further recommend, in view of the fact that Eld. J. O. Corliss has already some acquaintance with that field, has felt a deep interest in it, and has a burden to go there to labor at the present time, that this field be assigned him till the providence of God shall indicate that his duty lies in a different direction.

These recommendations being discussed at some length by the Conferences, they were adopted as the sense of the body.

Another special committee submitted the following report, which was also adopted:—

Your Committee appointed to consider the relation of the organizations in Europe to the General Conference would report as follows:—

We find that Denmark and Sweden have regular Conferences organized, which have adopted our-State Constitution, or Constitutions similar thereto; but the recent organization called the "European Conference" would more properly be called a "European Council" as that appears to be the object for which it was organized. We recommend the adoption of the following resolutions:—

Resolved, That the Swedish Conference be admitted to the General Conference of Seventh-day Adventists, according to their request.

Resolved, That while we indorse the organization of the European Conference, we recommend that its name be changed to that of a "European Council of Seventh-day Adventist Missions," according to the object stated in its Constitution.

Resolved, That we highly approve of the action of the European Council in the fifth article of its Constitution, as follows: 'When any important enterprise involving a considerable expenditure of money or affecting the general fu-
terests of the cause is to be entered upon by any mission, it shall be the duty of those conducting that mission to consult the Executive Committee of this Conference [(Council)]. And the General Conference cannot hold itself responsible to add in any such enterprise without such consultation having been held.

The matter of boundary lines between Conferences was made the subject of a special report, the committee appointed for that purpose making the following recommendations:

Whereas, The organization of churches by ministers of one Conference in the territory of another State has raised the question of the proper boundary of Conferences; therefore—

Resolved 1. That the boundary lines of a State should in all cases be the boundary lines of the Conference bearing the name of said State, except in cases where good reasons shall exist for varying this rule.

2. That where differences arise on this point, appeal shall be made to the General Conference, and through their supervision the lines shall be established.

3. That before any steps are taken to organize a church by the ministers of one Conference in the territory of another, the full consent of the latter Conference should be obtained.

4. That when a church is so located that the members usually attending the meetings of said church are partly in one State and partly in another, a majority of such church shall decide to which Conference they will belong, but the individual members may, if they choose, pay their tithes to the Conference in which they live.

5. That where churches are transferred to another Conference by the establishment of boundary lines as herein recommended, there should be a consideration of the expense incurred in raising up and caring for said churches, and when the matter cannot be amicably arranged by the Conferences concerned, it shall be referred to the General Conference for settlement. Ministers located in the districts transferred may choose to which Conference they will belong.

6. That we recommend that for the present the Scandinavian church of Chicago be permitted to remain with the Wisconsin Conference.

7. That the cases of New York and Pennsylvania, and New England and New Jersey, where an understanding already exists, be exceptions for the present to the foregoing resolutions.

R. M. Kilgore. U. Smith.
I. D. Van Horn.

It was moved and seconded that the preamble and resolution be adopted. This motion was quite fully discussed, but pending action the meeting adjourned to call of Chair.

Ninth Meeting, Dec. 12, 10 a. m.—Prayer was offered by Eld. John Fulton. The discussion of the recommendations of the Committee on Boundary Lines of Conferences was continued at some length, after which they were all adopted.

General Conference Proceedings.

As these recommendations especially affect the Minnesota and Wisconsin Conferences, Eld. Geo. I. Butler offered the following, which it was moved and seconded to adopt as a part of the foregoing report:

Whereas, The first resolution in this report places the boundary lines of Conferences in harmony with the boundary lines of the States in which they are located, thus allotting to the Conference of Wisconsin certain churches which have belonged to the Minnesota Conference; therefore—

Resolved, That we advise these churches to present themselves to the Wisconsin Conference, at its next session, and apply for reception. But in case any of them should not feel willing to drop their connection with the Minnesota Conference, we advise that they remain for the present a part of that Conference.

This was spoken to by the delegations from both States, and also by others; but the resolution was finally laid upon the table.

The Committee appointed to consider the wants of missionary fields then presented the following resolutions, which were adopted:

Resolved, That ministers laboring outside their own Conferences, should after an absence of one year or more, be considered members of the Conference in which they labor, and should receive credentials therefrom; and ministers laboring in missionary fields should receive credentials from the General Conference.

Resolved, That the above resolution shall not prevent any Conference from issuing credentials to its members who are laboring in the general interests of the cause.

Whereas, Some ministers find it necessary to change their field of labor from one Conference to another, and confusion is liable to arise; therefore—

Resolved, That we recommend that before such changes are made there should be an understanding between the Conferences concerned, or the change should be made in accordance with instructions from the General Conference.

The Committee on Resolutions reported still further at this meeting, as follows:

Whereas, The establishment of such schools as those recently created by our people in Massachusetts and California is necessarily attended with many perplexities, and will cost much more than would be imagined by one who has had no experience in such matters; therefore—

Resolved, That we recommend to our brethren in different Conferences that they proceed in the organization of schools with great caution; and that before doing so they counsel with the General Conference Committee.

On motion, this was adopted.

Whereas, Confusion is liable to occur in the accounts of our s. n. treasurers, resulting in the loss of funds, unless all pecuniary transactions are conducted according to careful business principles; therefore—

Resolved, That we recommend that all persons paying tithes require from the treasurer a receipt for all moneys paid him, and that the treasurer be required to present quarterly to the church, or to an auditing committee appointed by the church, an itemized report of all money received, and all that is
Seventh-day Adventist Year Book.

paid by him into the Conference, showing the receipts of the State treasurer as vouchers therefor.

After some discussion, the above was adopted.

Whereas, The usefulness of our Publishing House in California was seriously impaired by the threatened enforcement of the Sunday laws of that State; and

Whereas, By a mysterious Providence the very party which passed that law originally, arrayed themselves against the same in the last political contest in that State, so that their triumph rendered its repeal certain; therefore—

Resolved, That we recognize in this result the hand of God so shaping and directing the affairs of men as to render possible the full and free proclamation of his truth, until such time as the world shall have been thoroughly warned in regard to their duty to observe the Sabbath of the Lord, and to prepare for the advent of his Son.

The above resolution drew forth interesting remarks from Elds. Littlejohn and Waggoner, showing how the Lord had worked for his people during the Sunday excitement in California, after which it was unanimously adopted.

On motion the resolution introduced in the first meeting in regard to increasing the General Conference Committee to five members, was taken from the table; but after some further discussion, the motion to adopt was lost, the balloting showing 24 yeas and 18 nays, a three-fourths vote being required to amend the Constitution.

The Treasurer's report, showing the financial standing of the Conference, was then read, as follows:

TREASURER'S REPORT.

M. J. Chapman in account with the General Conference of S. D. Adventists.

To cash on hand Nov. 30, 1881, 82.169.50
Earned to Oct. 31, 1882, 7582.73
Total, $15.741.23

By cash paid out from Nov. 30, 1881, to Oct. 31, 1882, 84.105.86
Balance in Treasury, 3038.42
Total, $15.741.23

The time for closing having arrived, the meeting adjourned, subject to the call of the Chair.

Tenth Meeting, Dec. 17, 9 a.m.—Prayer was offered by Eld. Geo. I. Butler.

On motion, the Chair was empowered to appoint a committee of three, including himself, to consider the matter of remuneration for the churches to be transferred from the Minnesota Conference, according to the action of the Conference in the previous meeting. The Chair afterward named J. Fargo and S. N. Haskell as the additional members of this committee.

The following resolutions were then presented, and unanimously adopted:

General Conference Proceedings.

Resolved, That our ministers be instructed to pay more attention to the subject of health reform; to study it in the light of the Bible; and to enforce it in our churches as an element of Christian character; and to counteract in a careful and judicious manner the prevailing tendency among our people to backsliding in regard to this important grace.

Whereas, Counsel has been given to us as a people that it is the duty of Eld. U. Ish Smith to labor in the cause at large, and especially in holding Biblical Institutes, and not to confine his labors to Battle Creek; therefore—

Resolved, That we hereby request our Executive Committee to assign to Eld. Smith such labor as will give the various Conferences the benefit of his ability and experience, as indicated above.

On motion, the meeting adjourned to call of Chair.

Eleventh Meeting, 2:30 p.m.—Prayer by Eld. W. H. Littlejohn.

The Committee on Resolutions introduced the following:—

Resolved, That the ordinances of the Lord's supper and foot-washing are important, and should never be separated in their administration, except in ease where such separation shall be absolutely necessary.

Whereas, Many of our ministers have found it a very difficult matter to carry out our system of quarterly meetings successfully, so as to derive from them the benefits contemplated, and in many cases are obliged to set them aside or appoint them on another day than the one assigned; therefore—

Resolved, That the Chair be authorized to appoint a committee of three to consider this subject with its various bearings, and report, making such recommendations as they may deem proper.

The above were adopted, and the Chair named J. H. Cook, R. F. Andrews, B. L. Whitney, as the committee provided for in the latter resolution.

Resolved, That we recommend that the General Conference Committee prepare, or cause to be prepared, instructions to church officers, to be printed in the Review and Herald, or in tract form, as they may deem the better way.

On motion, the Chair appointed W. H. Littlejohn, J. O. Corliss, H. A. St. John, as a committee to take this matter into consideration, and report at the next annual session of the Conference.

Resolved, That we recommend that our churches purchase copies of the General Conference proceedings, and make themselves intelligent in reference to the business matters connected with our annual meetings.

Resolved, That another section be added to Art. II. of the Constitution, to read as follows:—

"Sec. 2.—The Executive Committee shall have power to fill any vacancies that may occur in their number by death, resignation, or otherwise."

Whereas, The English mission is now organized so that colporteurs and other persons distributing our literature can keep in operation the work now being done in Southampton and elsewhere; therefore—

Resolved, That in view of the wants of the cause in America, our Executive Committee be instructed to make such changes in the English work as shall secure, as soon as consistent, the services of Eld. Longborough in the United States.
Moved, that the General Conference Committee be requested to prepare a report of all foreign missions, and an appeal to be read in the churches at some quarterly meeting, together with an address encouraging donations to the mission funds.—Carried.

Eld. O. A. Olsen gave a brief history of the Scandinavian work in America, showing that the cause amongst the Scandinavians is in a thriving condition. He also spoke of the great need of having some of Sister White’s works issued in the Danish-Norwegian language, and asked that something of the description be published.

It was thereupon—

Resolved, That it be the expressed sense of this Conference, that a book containing selections from the writings of Sister White be published in the Danish-Norwegian language.

The above was unanimously adopted.

On motion, the meeting adjourned to call of Chair.

Thirteenth Meeting, 4 p. m.—Prayer by Eld. J. Fargo.

The following resolutions were introduced, considered, and adopted at this meeting:—

Resolved, That Eld. E. W. Farmsworth be recommended to labor a part of the year, as the way may open, in the Missouri Conference.

Resolved, That we consider the tract and missionary work, in its different phases, one of great importance, and we recommend that special efforts be put forth for the increased circulation of all our periodicals.

Resolved, That it is the judgment of this General Conference that the blessing of God attends the canvassing work; and we think that an experience in this work is an excellent preparation to efficiency in other departments of the cause.

Resolved, That we request the President of the General Conference to arrange with the Publishing Committee of the S. D. A. Publishing Association to publish a book to be entitled, “The Seventh day Adventist Year Book,” which shall contain such portions of the proceedings of the General Conference, and other matters, as the Committee may think best to insert therein.

Whereas, This General Conference has voted to send Bro. B. L. Whitney, President of the New York Conference, to Switzerland, leaving that Conference, for the time being, without a President; therefore—

Resolved, That we request our Executive Committee to do all that may appear to them practicable to furnish aid to the New York Conference for the remainder of the current Conference year.

Resolved, That we request the General Conference Committee to take such steps as they may think advisable for the purpose of securing to the College a loan, without interest, of a sufficient amount of funds to replace the money upon which it is paying interest at the present time.

The subject of organizing local schools in different sections of the country was then introduced by the Chair. Statements were made by Elds. R. M. Kilgore of Texas, H. Grant of Minnesota, and G. B. Starr of Nebraska, to the effect that there is a great desire on the part of the brethren in their respective Conferences to have

These resolutions were adopted, after being spoken to by different members of the Conference.

The Committee on Nominations then presented the following names for officers to the Conference for the coming year: For President, Geo. I. Butler; Secretary, A. B. Oyen; Treasurer, Mrs. M. J. Chapman; Executive Committee, Geo. I. Butler, S. N. Haskell, J. Fargo. These persons were elected to their respective offices.

They further recommended the following:—

“In order that the Conference may move understandingly in the matter of granting licenses in the Southern States, we recommend that action be deferred until a laborer from the General Conference shall enter that field, and ascertain the minds of the brethren living in the several localities relative to the proper persons to receive licenses. But in the cases of those who have herefore received licenses, we recommend that they continue to labor as formerly, until the visit of the laborer herein mentioned.”

This report was then adopted.

The following resolution was unanimously adopted:—

Resolved, That this General Conference indorse the action of the Board of Trustees of the Educational Society in closing the College, under the circumstances, and we indorse the resolutions passed at an informal meeting of the Educational Society in this place.

The meeting then adjourned to call of Chair.

Twelfth Meeting, Monday, Dec. 18, 9 a. m.—Prayer by Eld. S. H. Lane.

Eld. S. N. Haskell gave an account of his visit to the Scandinavian countries the past summer, showing that an encouraging work is being done there, there being now about four hundred Sabbathkeepers in the three countries. Particulars were also given in regard to the publishing work in Norway.

On motion, the Chair was empowered to appoint a committee of five, including himself and Eld. S. N. Haskell, to consider and recommend action concerning the Scandinavian and other missions. They were named as follows: W. C. White, O. A. Olsen, B. L. Whitney.

Whereas, It is the judgment of those who understand the condition of the cause that a paper will sometime be needed in England, and it is also judged that the time for publishing it is not yet come; therefore—

Resolved, That it is the sense of this Conference that persons should be selected and educated for that work, to whom the duty of conducting the paper can be intrusted at the proper time.

These resolutions were adopted, after being spoken to by different members of the Conference.

Resolved, That we request our Executive Committee to do all that may appear to them practicable to furnish aid to the New York Conference for the remainder of the current Conference year.

Resolved, That we request the General Conference Committee to take such steps as they may think advisable for the purpose of securing to the College a loan, without interest, of a sufficient amount of funds to replace the money upon which it is paying interest at the present time.

The subject of organizing local schools in different sections of the country was then introduced by the Chair. Statements were made by Elds. R. M. Kilgore of Texas, H. Grant of Minnesota, and G. B. Starr of Nebraska, to the effect that there is a great desire on the part of the brethren in their respective Conferences to have
schools organized as soon as practicable. But they wish to move cautiously, and to conform as far as possible to the recommendations of this Conference in regard to this matter.

FOURTEENTH MEETING, DEO. 19, 3:30 P. M.—Prayer by Eld. J. H. Waggoner.

The Committee on Church Quarterly Meetings reported as follows:

Your Committee recommend that the church quarterly meetings be held the first Sabbath and first-day in December, March, June, and September, and that one of the members of the Executive Committee of each State Conference hold a general meeting in each district within the bounds of their respective Conferences as often as once in three months if possible, this new arrangement to take effect March 1, 1883.

This was amended by inserting the expression, "or some minister whom they may appoint," after the words "State Conference," and finally laid upon the table.

The committee appointed to consider the wants of the Scandinavian mission, presented the following report, which was unanimously adopted:

Whereas, Considerable sums of money have been sent by our Scandinavian brethren to men who were strangers, and in some cases to unworthy persons; and—

Whereas, The General Conference Committee exercises a watchful care for the wants and necessities of all the missions; receiving authentic information from our experienced missionaries, and is thus prepared to judge of the importance of private appeals; therefore—

Resolved, That it is the safe and wise plan for all persons wishing to aid the European missions to forward their donations to the authorized treasurers of the missions.

Whereas, The building in Christiansa, Norway, used at present for printing and holding meetings, is larger than is necessary, and will require a large amount of means to provide for interest and future payments; and—

Whereas, Another building can be erected, better suited for their work, at less cost; therefore—

Resolved, That we approve of their effort to sell, and make other arrangements.

The following resolutions were then presented by the Committee on Resolutions, and adopted:

Resolved, That we express our unalloyed confidence in the Testimonies which have been so graciously given to this people, which have guided our ways and corrected our errors, from the rise of the third angel's message to the present time; and that we especially express our gratitude for Testimony No. 31, which we accept as a token of the care of God over us,—an evidence that he has not forsaken us, notwithstanding our many backslidings.

Resolved, That we hereby tender to the brethren of the New York and Pennsylvania Conferences, and especially to the church at Rome, N. Y., our sincere thanks for the cordial reception extended by them to this Conference, and for their generous hospitality while we have been with them.
PROCEDINGS OF THE INTERNATIONAL (GENERAL) TRACT AND MISSIONARY SOCIETY.

SEVENTH ANNUAL SESSION.

This session, which was held in connection with the General Conference at Rome, N. Y., embraced five meetings, the first of which was called by the President Dec. 12, at 2:30 p. m. Prayer was offered by Eld. G. I. Butler. The Michigan Society was represented by six delegates; Iowa, by two; California, two; Minnesota, two; New York, six; Illinois, two; New England, three; Kansas, two; Pennsylvania, four; Vermont, three; Indiana, Texas, Quebec, Maine, Nebraska, Dakota, and Virginia, each by one.

On motion, the reading of the minutes of the last meeting, with the exception of the report of the Nominating Committee, was waived. All members of State societies present were invited to take part in the deliberations of the meeting. A report showing the labor performed by the various State societies, the General Society, and the societies in England and Switzerland, was read, of which the following is a summary: No. of members 8,981; reports, 10,383; visits, 25,030; letters, 24,015; subscribers obtained for periodicals, 6,543; pages publications distributed, 4,947,486; periodicals distributed, 550,324. The financial report showed the receipts of the General Society for the year to be $859,58; expenditures, $647.57; cash on hand, $2,068.07.

Of this labor an amount equal to the distribution of about 60,000 pages of tracts and 15,000 periodicals has been done largely by persons not of our faith under the supervision of the General Society. Remarks were then made by the President respecting favors received from such persons, and the willingness with which they are granted. We now have free transportation of publications from New York City to London, thence to Hull, and from there to Christiana. There are also outside agents who distribute our reading matter on vessels, and in many of the seaports of England, and to a limited extent in this country.

Bro. W. C. White followed with remarks respecting the Special Edition of the Signs of the Times recently published on the Pacific coast. The power and efficiency of a well-trained tract and missionary society, having on hand a liberal reserve fund, has been forcibly demonstrated by the California Society. The circumstances connected with the Sunday movement and the coming election in that State, demanded immediate action, involving quite a large outlay of means and an immense amount of labor, all of which was cheerfully assumed and successfully carried by the tract society. The distribution of the edition was very thorough throughout the State.

equalizing one copy of each number to every six voters. Of the result, which was beyond every one's expectation, further particulars will doubtless be given elsewhere. It was repeatedly stated that had it been necessary to present the matter to the brethren, and in this way secure means and their co-operation in other respects, after it became apparent that the edition should be issued, the enterprisers much discouraged, and briefly stated how they had been encouraged, that the effort, and the amount taken from the reserve fund has been nearly or quite all replaced by contributions from the brethren throughout the State. Bro. Butler spoke of the success which has of late attended the Iowa Society, both with respect to the prosperous condition of its finances, and the hopeful, encouraging state of feeling existing among the brethren. He referred to the time, a few years ago, when the society was greatly embarrassed and the enterprisers much discouraged, and briefly stated how they had been enabled to recover from this condition. He said that could the tract societies all be placed upon a good financial basis, with a feeling of courage and cheerful activity among the members, no enterprise would be too great for them. These remarks were all forborne, and well received by the delegates present.

Dr. Kellogg spoke of the encouraging results of missionary labor at the Sanitarium, particularly in the distribution of health publications. Bro. Starr gave an encouraging report from Nebraska, and similar reports were listened to from Mr. Hutchins, Lane, Goodrich, Cook, and Olsen, who spoke for their respective societies. In Dakota the outlook is especially hopeful, both in respect to labor and finances.

At the close of the first meeting, the following committees were appointed: On Nominations, J. B. Goodrich, J. Fargo, and O. A. Olsen; on Resolutions, W. C. White, B. L. Whitney, and J. O. Corliss. In the subsequent meetings which were held, most of the time was occupied in considering the resolutions presented, which are as follows:—

1. Whereas, There is a disposition in some localities to criticize the present plan of organization of our State tract societies, and an expressed desire to do change the Constitution and plan of operation as to have the church librarians tract societies directly with the State Secretary, and —

Whereas, The workers in several of our largest and most prosperous societies regard the work of the district secretary as indispensable to the highest efficiency of the organization; therefore—

Resolved, That we recommend adherence to those plans which have proved successful, and that great caution be used in the introduction of new and untried methods; and further—

Resolved, That we recommend that any State society which regards such changes as essential to its prosperity should consult with the officers of the General Tract Society before introducing them, and that they shall not publish or recommend any such experimental plans till they have been tried for at least one year, and have the acceptance of the General Tract Society.
This resolution led to a free discussion, in which the difficulties which have been experienced in connection with our present organization and also the utility of the organization were thoroughly canvassed. Of the points made in this discussion, more may be said hereafter.

2. Whereas, Our work is fast enlarging, and in the providence of God we are called upon to take advance steps and enter upon important enterprises, sometimes on short notice, and as such enterprises cannot be entered upon without means; therefore—

Resolved, That we consider it absolutely necessary, in order to carry on the work successfully, that each State society have a reserve fund on which it can rely in time of need; and we urge them to keep their reserve fund large enough to meet emergencies which may arise.

3. Whereas, We believe that there is a great work to be done in our large cities, and Chicago appears at this time to be a promising field for the constant employment of an efficient colporter, and—

Whereas, New York especially needs the constant presence of a laborer to act as ship missionary, and to forward missionary publications to Europe; therefore—

Resolved, That we station a colporter in each of these cities as soon as possible, and that we request the assistance of the General Conference in the appointment and maintenance of the same.

4. Whereas, The Signs of the Times has been the means of bringing many to a knowledge of the truth, and each year's experience strengthens the confidence of our missionary workers in its efficiency in the missionary field; therefore—

Resolved, That we recommend its more general circulation in that capacity than ever before; and—

Whereas, Experience has shown that thousands will subscribe and pay for the Signs when offered with a desirable premium, and as the International Sunday-school Lessons for the coming year will be in the Acts of the Apostles, thus making the Life and Epistles of Paul a desirable book for general use; and the publishers of the Signs propose to offer the Life and Epistles of St. Paul by Conybeare and Howson with the Signs to new subscribers for $2.25 per year; therefore—

Resolved, That we recommend the above premium offer, and urge that a thorough and energetic canvass be inaugurated in all of our societies.

5. Whereas, The public libraries throughout the country afford the means of presenting our denominational reading matter to the public, and—

Whereas, Many of these libraries are now open to the presentation of this reading matter; therefore—

Resolved, That we approve of the steps already taken toward the presentation of some of our bound books to these libraries by the General Society, and that we pledge our active co-operation in the speedy prosecution of this work.

PROCEEDINGS OF INTERNATIONAL T. & M. SOCIETY.

7. Whereas, The immediate introduction of our denominational books among all the churches and companies of our people, as soon as they are published, is very desirable, and we believe that many more can then be sold by a proper effort than at any later time, and—

Whereas, The publishers propose, in order to save time and hasten orders on important works, to send samples to the secretary of each State society, that they may be forwarded with circulars and blank order sheets to the librarians and bookstores, without waiting for orders for the sample copy; and as the publishers propose upon notification to furnish postage for the return of any of these samples which may not be accepted; therefore—

Resolved, That we recommend the above plan, and urge the prompt co-operation of our librarians and agents in its execution.

8. Whereas, Washington is our nation's representative city, and many persons visit it, not only from every State and Territory in the Union, but from all parts and countries of the world, and—

Whereas, Our publications and works on present truth are not found there, either for sale or free distribution; therefore—

Resolved, That Washington City be taken into consideration, in connection with Chicago and New York, for ministerial and colporters' labor.

This resolution called out some very interesting experiences of our brethren in connection with men holding high positions in the government. It was stated that while it is probable that but few of these men will embrace the truth, the impressions which it is now possible to give them will affect their future action, should they be called upon to make decisions in connection with our work or people.

9. Whereas, The work of health reform is recognized as one of the most important branches of the cause of present truth, and—

Whereas, There has been a general backsliding on this subject, and there is at present a general lack of interest in this branch of the work; therefore—

Resolved, That we recommend an earnest effort to revive the interest upon this question by securing a more general reading of our health publications on the part of our people, and by inaugurating an energetic canvass for the circulation of Good Health everywhere.

10. Whereas, Persons subscribing for our periodicals through the tract society do experience a delay in receiving their papers, and—

Whereas, Our State Secretaries can probably use, in various ways, several copies of each of the same; therefore—

Resolved, That we recommend our State societies to take clubs of these periodicals, particularly the Signs of the Times, so as to be able to supply new subscribers until the paper can be received by them from the office of publication.

The above resolutions were unanimously adopted.

Moved, That Article I of the Constitution be so amended as to read: "This society shall be called the International Tract and Missionary Society." After a full and free discussion, this motion was carried by more than a two thirds vote.
GENERAL SABBATH-SCHOOL ASSOCIATION.

FIFTH ANNUAL SESSION.

According to appointment, the Association convened at Rome, N. Y., Dec. 10, 1882, at 10 a.m., the President in the chair. Prayer was offered by Eld. J. H. Waggoner. In the absence of the Recording Secretary, A. B. Oyen was chosen Secretary pro tem.

On motion, all delegates to the General Conference were received as delegates to this Association, after which the Secretary's report of the last annual session was read and approved.

By vote, the Chair was empowered to appoint the usual committees, which were afterward announced as follows: On Nominations, B. L. Whitney, J. H. Waggoner, J. Fargo; On Resolutions, M. H. Brown, H. A. St. John, J. O. Corliss.

Reports of delegates being called for, the following-mentioned persons responded, giving interesting statements in regard to the condition and progress of the Sabbath-school work in their respective States: M. H. Brown, for New York; O. A. Olsen, for Dakota; John Fulton, for Minnesota; J. M. Rees, for Indiana; A. S. Hutchins and H. W. Pleen, for Vermont; R. A. Underwood, for Ohio; H. W. Decker, for Wisconsin; D. B. Oviatt, for Pennsylvania; Geo. B. Stark, for Nebraska; R. F. Andrews, for Illinois; A. C. Bourdean, for Province of Quebec; J. H. Cook, for Kansas; J. B. Goodrich, for Maine; C. A. Washburn, for Iowa; E. W. Farnsworth, for Missouri; A. B. Oyen, for Michigan; D. A. Robinson, for New England; and S. N. Haskell, for Europe.

Meeting adjourned to call of Chair.

SECOND MEETING, 2:30 p.m.—Prayer was offered by Eld. H. W. Decker, after which the minutes of the previous meeting were read and approved.

The Committee on Resolutions presented the following report:—

1. Resolved, That after the conclusion of the Sabbath-school lessons based
THE AMERICAN HEALTH AND TEMPERANCE ASSOCIATION.

FOURTH ANNUAL SESSION.

The fourth annual session of the American Health and Temperance Association convened at Rome, N. Y., Dec. 15, at 2:30 P. M., and was opened with prayer by Eld. S. N. Haskell. Reports were read from the State societies in California, Illinois, Nebraska, Kansas, Texas, Vermont, Ohio, Wisconsin, and New York, showing an increase of 435 members in these States during the year, of which 285 are full members and 150 pledge members. Nearly all the new members were signers of the teetotal pledge.

The number of members reported by fourteen societies last year was 9,623. This, with the addition of membership during the year, and the estimated number of members of societies not reported, brings the entire membership to between fifteen and sixteen thousand.

Eld. Bourdeau reported for the Canadian H. and T. Society a membership of sixty-two, and an encouraging prospect. Eld. Fero also spoke encouragingly of the work in Pennsylvania. Interesting remarks were then made by the President, in which he spoke of the permanency of the work already accomplished by the Society. The pledges issued by it are in no way dependent upon the organization, and would remain binding should it become extinct. He also stated that as yet the health feature of the work of the Society had received but little attention, particularly questions of diet and dress. Although thousands of people have been reformed from the use of tea and coffee, there yet remains much to be accomplished. The wearing of improper articles of dress is doing more harm than the use of tobacco, and bad diet is doing more injury in the world than both whisky and tobacco; hence the importance of taking advance steps in harmony with the principles indicated in the name, Health and Temperance Association.

Having been empowered to appoint the usual committees, the Chair named the following: On Nominations, Elds. G. I. Butler, H. A. St. John, and H. M. Kenyon; on Resolutions, Elds. S. H. Lane, J. H. Cook, and J. Fulton, after which the meeting adjourned to the call of the Chair.

SECOND MEETING.—This meeting was called Dec. 16, at 5:30 P. M. Prayer was offered by Eld. Waggoner.

The Committee on Resolutions presented the following:—

1. Whereas, There has been prepared a pledge adapted to the wants of children; therefore—

Resolved, That we recommend all our members, the officers and teachers of our Sabbath-schools, and the ministers, to labor earnestly to inculcate all children within the circle of their influence to sign said pledge.

2. Whereas, That the secretaries of the various State Sabbath-school Associations be requested to place in the hands of the superintendent of each Sabbath-school a sufficient quantity of Children’s Pledges to meet their demand.

3. Whereas, That we earnestly request all members of the Association to put forth greater efforts to circulate said literature, and to increase the subscription list of Good Health.

Following this resolution the President stated the terms to canvassers on Good Health, and presented the prize offered to those who should obtain subscribers.

Resolved, That we recommend that local health and temperance clubs be or-
organized in all our churches, and that they hold their meetings in connection with the regular quarterly meetings.

This resolution was explained as not designed to interfere with the holding of meetings oftener than once a quarter, should any club so desire. It was thought that by the means recommended the work could be sustained in small churches, where heretofore difficulty has been experienced in keeping up the club meetings.

Resolved, That we request Dr. J. H. Kellogg to prepare a series of health and temperance lessons for the use of our Sabbath-schools, to be recited at least once each quarter.

On motion, this resolution was amended so as to read health and temperance clubs, instead of Sabbath-schools. A desire was expressed that these lessons should include synopses and notes, also suggestions concerning the best means for making club meetings interesting and profitable. It was also suggested that the lessons should be issued in a form accessible to all.

It was proposed by the President that a Health and Temperance Lesson Department be started in Good Health, to meet the wants of the clubs in this direction.

A resolution respecting temperance Sunday-schools was offered, which, after considerable discussion and amendment, was adopted as follows:

Resolved, That we recommend to the members of the Association the organization of temperance Sunday-schools.

The above resolutions were unanimously adopted.

Moved, That the Constitution be so amended as to embody the pledge adopted in Resolution 3.

Moved, That we respectfully call the attention of the General Conference to the resolution respecting club meetings, and invite its co-operation.—Carried.

Moved, That the President of the Association be requested to prepare a course of reading for its members.—Carried.

The Committee on Nominations reported as follows: For President, J. H. Kellogg, M. D.; Vice-President, A. B. Oyen; Secretary and Treasurer, Mrs. J. H. Kellogg, Battle Creek, Mich.; Executive Committee, J. H. Kellogg, Eld, S. N. Haskell, and W. C. White. On motion, these officers were elected collectively.

Adjourned sine die.

H. W. Kellogg, Tren.

This is to certify that I have carefully examined the books and accounts of the S. D. A. P. Association, and find them correctly kept, according to my best knowledge and belief.

A. R. Henry, Auditor.

At an informal meeting held at Rome, N. Y., Dec. 18, 1882, the following persons were nominated for officers of the Association for the coming year: For President, E. Geo. I. Butler; Vice-president, H. W. Kellogg; Secretary, M. J. Chapman; Treasurer, A. R. Henry; Auditor, W. C. Siascy; Publishing Committee, Geo. I. Butler, U. Smith, and G. W. Amadon.

Ballots being now circulated, this nomination was ratified, and these persons were then, by vote, declared elected to the offices named.

U. Smith was then elected editor of the Review for the coming year, and J. N. Andrews and J. H. Waggoner corresponding editors. The employment of editors for all the other periodicals issued by the Association was left to the Board of Trustees.

The remainder of this report, except the two closing paragraphs, pertains to the meeting at Rome, N. Y. At the first meeting, Dec. 14, W. H. Littlejohn, J. H. Waggoner, and H. W. Decker were appointed a Committee on Nominations, and J. Fargo, W. C. White, and I. D. Van Horn, a Committee on Resolutions. A committee to suggest a plan for the better circulation of the periodicals issued at Battle Creek was appointed as follows: S. N. Haskell, W. C. White, and J. H. Kellogg. To this committee A. B. Oyen and Geo. I. Butler were subsequently added.

At the second meeting, held Dec. 18, the Committee on Nominations reported, recommending the persons named above to act as officers of the Association for the coming year.

The Committee on Resolutions presented the following, which, after due consideration and discussion, were adopted:

1. Resolved, That we regard it to be the duty of the Trustees and managers of the Publishing Association to exercise a more watchful care over the young in their employ, guarding carefully the moral influence by which they are surrounded, and that thorough and energetic efforts be made to secure the highest Christian and moral influence in all departments of the institution.

**MEETING OF THE S. D. A. P. ASSOCIATION.**

2. Whereas, We believe that the Publishing Association will enjoy the greatest prosperity when its efforts are confined most closely to the work for which it was established; therefore—

Resolved, That the enterprises aside from the publishing work be disconnected from it.

This was amended by the addition of the words, "as soon as practicable," and adopted.

3. Whereas, The rapidly increasing magnitude of our publishing work has brought undue burdens on the few who were managing the institution, and there are some branches which cannot, without more help, receive due attention; therefore—

Resolved, That we request Bro. A. R. Henry to come to Battle Creek, that he may especially labor in connection with the financial interests of the institution.

At the third meeting, Dec. 19, the Committee on the Circulation of the Periodicals issued at Battle Creek, reported, making the following recommendations: 1. That the Youth's Instructor be offered with Sunshine Series as a premium for 85 cts; 2. The Advent Tidende, with the Danish Home Hand-Book as premium, for $1.50; 3. The Herald, with the Swedish Hand-Book for Home as premium, for $1.30; 4. That the matter of a premium offer for the Review and Herald be referred to the Trustees of the Publishing Association.

These recommendations were spoken to by different ones, and unanimously adopted.

At the meeting at Battle Creek, Dec. 20, the following resolution was presented and adopted:

Resolved, That the S. D. A. P. Association amend its articles of Association by increasing the amount of real property that may be held to the sum of $200,000, and by increasing the amount of personal property that may be held to the sum of $100,000; and that stockholders owning a majority of all the stock be authorized to duly execute such amended articles.

It was then moved and carried that a committee of three be appointed by the Chair to revise the Constitutions, and suggest at our next annual meeting such amendments as they may think desirable.

U. Smith, A. R. Henry, and H. W. Kellogg were thereupon appointed as said committee.

The meeting then adjourned sine die.

PROCEEDINGS OF THE PACIFIC SEVENTH-DAY ADVENTIST PUBLISHING ASSOCIATION.

SEVENTH ANNUAL MEETING.

The seventh annual meeting of the above Association convened at the Pacific Press, Oakland, on Monday, April 24, 1882, in accordance with notice published in the *Signs of the Times*.

Having been opened by prayer, the Vice-President was empowered by vote to appoint Committees on Nominations and Resolutions—Eld. J. H. Waggoner and Rice, and W. A. Pratt were accordingly appointed to act in the former capacity, and Eld. Waggoner, C. H. Jones, and Wm. Saunders in the latter.

The meeting then adjourned to the church, for greater convenience.

On re-assembling, it was found that 1,012 shares were represented by those present and 1,147 by proxies, being 414 more than was required by law.

The minutes of the Sixth Annual Meeting were read and approved, the Vice-President explaining what steps had been taken about the issuing of Mortgage Bonds as authorized at said meeting.

The revenue account and balance sheet for the year were then read, and after remarks by the Vice-President, C. H. Jones, and Eld. Waggoner, were accepted.

The Committee on Nomination handed in their report, recommending S. N. Haskell, W. C. White, J. Morrison, M. C. Israel, and C. H. Jones, as Directors for the coming year, and being ballotted in form they were elected.

Addresses from the President, S. N. Haskell, and Eld. Geo. I. Butler, relating to the past, present, and future of the Association were read by Eld. J. H. Waggoner.

C. H. Jones on the part of the Committee on Resolutions read the following, which on being put to vote, were unanimously adopted:

*Whereas,* We recognize the hand of God in establishing the publishing work on this coast; and—

*Whereas,* This branch of the work has been the means of building up and establishing the truth in our midst, and bringing many souls to a knowledge of it, both at home and in foreign lands; therefore,—

Resolved, That we hereby express our gratitude to God for the degree of prosperity that has attended the work during the past year.

Resolved, That we pledge ourselves to sustain the work both by our means and our prayers.

*Whereas,* This being largely a missionary enterprise, we cannot look for large profits from the business to sustain the work; and—

HEALTH REFORM INSTITUTE.

*Sixteenth Annual Session.*

The stockholders of the Health Reform Institute met for their sixteenth annual session, at Battle Creek, Dec. 20, 1882, at 3 p. m. Eld. G. I. Butler led the congregation in prayer.

I hereby certify that I have carefully examined the accounts of the Sanitarium, and find them to have been correctly kept; and the above is a correct statement of the business of the last year.

*Battle Creek, Mich., Dec. 11, 1882.*

C. W. Stookey, Auditor.

The report was accepted.

A motion empowering the Chair to appoint the standing committees prevailed, whereupon he named, as a Committee on Nominations, B. L. Whitney, A. R. Henry, and R. M. Kilgore; as Committee on Resolutions, John Fulton, U. Smith, and J. H. Waggone.

After consultation, the Committee on Nominations reported, recommending that the following persons be elected directors for the coming year: S. N. Haskell, J. H. Kellogg, A. R. Henry, W. H. Hall, G. H. Murphy, J. Fargo, L. M. Hall.

Ballots being circulated, those persons were duly nominated, and then elected by a strong vote.

The Committee on Resolutions reported as follows:

1. Whereas, During the past year financial success and prosperity have attended our Sanitarium at Battle Creek; and—

   Whereas, A marked improvement in the moral and spiritual influence has been seen; therefore—

   Resolved, That we express our sincere gratification at the progress manifest in these directions, and that we recognize in these things the providence of God and his tender care over this important branch of the work.

2. Whereas, Our reports to the public have been of the highest interest, and we believe the public has shared with us the joy of this great success; therefore—

   Resolved, That we express our unqualified confidence in the present medical and financial management of this institution.

3. Whereas, Frequent embarrassment is experienced at the Sanitarium on account of irresponsible poor coming to that place unannounced, with no provision to meet the most ordinary expenses; therefore—

   Resolved, That we recommend that the poor among S. D. Adventists who
wish to go to the Sanitarium for treatment, do not go without a recommendation from the officers of the Conference to which they belong.

4. Whereas, We see in the establishment of the Sanitarium the providence of God; and—

Whereas, His blessing has attended the efforts put forth to relieve the afflicted; therefore—

Resolved, That we express anew our confidence in this branch of the work, and urge our people everywhere to give it their moral and financial support, and to call the attention of suffering humanity to this important institution, and as far as consistent induce them to visit the same.

All these resolutions were adopted with no dissenting vote; and the meeting adjourned to meet again at the call of the Board. U. Smith, Sec. S. N. Haskell, Pres.

At an informal meeting of the stockholders held in Rome, N. Y., Dec. 14, the following-named persons were nominated as a Board of Trustees for the Society for the coming year: Geo. I. Butler, S. N. Haskell, J. H. Kellogg, A. R. Henry, W. C. Cisley, A. B. Oyen, H. W. Kellogg. At this present meeting these names were presented, and, ballots being circulated, the nomination was ratified, and the persons named declared elected.

At the informal meeting mentioned above, the following resolutions were introduced, and adopted as the sense of the stockholders present:

1. Resolved, That in our judgment the enforcement of thorough discipline is absolutely indispensable to the preservation and usefulness of every school, and that we express it as our decided opinion that the system of discipline originally inaugurated and enforced in the Battle Creek College is worthy of the highest commendation.

2. Whereas, The Board of Trustees of Battle Creek College have, by virtue of their office, the right to employ and discharge teachers, and to censure them whenever in their judgment their action is worthy of condemnation; and—

Whereas, Some of the faculty and students of the College did, during the last College year, sympathize with, and afford moral support to, certain persons who were placed under censure by the Board of Trustees; therefore—

Resolved, That by such a course of action they were guilty of insubordination, such as was worthy of severe reprobation.

3. Whereas, The Battle Creek College has been closed for some time past, and we have listened to sufficient causes to justify the Board of Trustees in closing it; therefore—

Resolved, That we express it as our judgment that the course pursued by the Trustees in closing the College was in perfect keeping with sound policy.
CONSTITUTION OF THE GENERAL CONFERENCE.

AS AMENDED TO JAN. 1, 1886.

ARTICLE I.—This Conference shall be called The General Conference of Seventh-day Adventists, and shall be composed of delegates from the different State Conferences, and such ministers as shall have been employed as missionaries during any part of the year.

ART. II.—Section 1. The officers of this Conference shall be a President, Secretary, Treasurer, and an Executive Committee of three, of whom the President shall be one.

Sec. 2. The Executive Committee shall have power to fill any vacancies that may occur in their number by death, resignation, or otherwise.

ART. III.—The duties of the President and Secretary shall be such respectively as usually pertain to those offices.

ART. IV.—It shall be the duty of the Treasurer to receive and disburse means under the direction of the Executive Committee, and keep an account of the same, and make a full report thereof to the regular meetings of the Conference.

ART. V.—Sec. 1. It shall be the duty of the Executive Committee to take the general supervision of all ministerial labor, and see that the same is properly distributed; and they shall take the special supervision of all missionary labor, and as a missionary board shall have the power to decide where such labor is needed, and who shall go as missionaries to perform the same; and they shall audit and settle accounts with ministers and others in the employ of the Conference.

Sec. 2. Means for missionary operations may be received by donation from State Conferences, churches, or individuals; and the Committee are authorized to call for means when needed.

Sec. 3. When any State Conference desires ministerial labor from a minister not a resident within the bounds of such Conference, their request shall be made to the General Conference Executive Committee, and ministers sent by said Committee shall be considered under the jurisdiction of the Conference Committee of such State: Provided, 1. That if such minister consider the State Committee inefficient, or their action so far wrong as to render his labor ineffective, he may appeal to the General Conference Executive Committee: Provided, 2. That if such State Committee consider such minister inefficient, they may appeal to the General Conference Committee, who shall decide on the matter of complaint, and take such action as they may think proper.

ART. VI.—Each State Conference shall be entitled to one delegate in the General Conference, and one additional delegate for every twenty delegates in the State Conference, such delegates to the General Conference to be chosen by the State Conferences or their Committees: Provided, That the delegates to such State Conferences be elected according to the following ratio, to wit: Each church to the number of twenty members or under, shall be entitled to one delegate, and one delegate for every additional fifteen members.

ART. VII.—The officers shall be elected at the regular meetings of the Conference, and shall hold their offices for the term of one year, or until their successors are chosen.

ART. VIII.—Sec. 1. The regular meetings of the Conference shall be held annually, and the time and place of holding the same shall be determined by the Executive Committee, by whom due notice thereof shall be given through the Review.

Sec. 2. Special meetings may be called at the option of the Committee.

ART. IX.—This Constitution may be altered or amended by a three-fourths vote of the members present at any meeting.
CONSTITUTION FOR STATE CONFERENCES.

Whereas, We have before us the great work of disseminating light upon the commandments of God, the faith of Jesus, and the truths connected with the third angel's message; and—

Whereas, Order, union, and concentration of action in the dissemination of these truths is the utmost importance, therefore—

Resolved, That we adopt the following Constitution, as recommended by the General Conference of Seventh-day Adventists, assembled at Battle Creek, Mich., May 20, 1863:

ARTICLE I.—SECTION 1. This Conference shall be known as the Conference of Seventh-day Adventists, and shall be composed of all ministers in good standing, and delegates of organized churches within its limits.

ART. II.—SEC. 1. The officers of this Conference shall be a President, Secretary, Treasurer, and an Executive Committee of three, of whom the President shall be one; and they shall be elected annually.

SEC. 2. The duties of the President and Secretary shall be such as usually pertain to these offices respectively.

SEC. 3. It shall be the duty of the Treasurer to keep an account of the receipts and disbursements of the Conference funds, to pay out the same under the directions of the Executive Committee, and to make an annual report thereof at the regular meetings of the Conference.

SEC. 4. It shall be the duty of the Executive Committee to appoint through the Review the time and place of the annual Conferences, and to call special Conferences as occasion may require, to call on the churches and scattered brethren for means when needed, and to disburse the same; to take the general supervision of all tent operations, and property belonging to the Conference; to audit and settle accounts with ministers and others in the employ of the Conference, and to exercise a general watch-care over all matters pertaining to the interests of the cause within the bounds of the Conference.

ART. III.—SEC. 1. Conference funds shall be raised from the proceeds of Systematic Benevolence, and by gifts and donations.

SEC. 2. We recommend that all churches belonging to this Conference adopt the plan of Systematic Benevolence on the tithe principle, as set forth on the first page of our s. n. book.

SEC. 3. The churches and scattered brethren within the bounds of this Conference will be expected to pledge to the Executive Committee the amount that they will give each month during the Conference year, for the support of the ministers and tent operations, and for such other purposes as may be necessary for the advancement of the cause; said sums to be paid to the Treasurer, monthly, when convenient so to do; or at the commencement of every quarter; viz., on the first of April, July, October, and January; except when it be preferable to give it, or a portion of it, directly to preachers who labor among them.

SEC. 4. The churches will be expected to make a report to the Secretary at the end of each quarter, of the amount they have sent to the Treasurer, or paid to preachers, during such quarter.

SEC. 5. It shall be the duty of ministers to report to the Secretary at the end of each quarter the amount they have received and expended during such quarter, and at the end of each year they shall make a written report to the regular meetings of the Conference of the entire amount of their receipts and expenditures during such Conference year.

ART. IV.—SEC. 1. When any church or scattered brethren wish ministerial labor in their vicinity, their call shall be made to the Executive Committee.

SEC. 2. It shall be the duty of the churches in this Conference to send a written report to the regular meetings of the Conference of their standing, their losses, and additions during the year, also the yearly amount of their s. n. fund.

ART. V.—SEC. 1. It shall be the duty of the Conference to determine who are the approved ministers within the bounds thereof, to grant suitable credentials to the same at each regular meeting; and during the interval of such meetings the Executive Committee shall perform such duties.

SEC. 2. Those who feel it their duty to improve their gifts as messengers, or preachers, shall first lay their exercises of mind before the Committee, to receive a license from them, if the Committee consider them qualified.

ART. VI.—SEC. 1. It shall be the duty of the ministers of this Conference to make a written report to each annual meeting thereof, of their labors each week during the Conference year.

ART. VII.—SEC. 1. The delegates to this Conference shall be elected according to the following ratio; Each church to the number of twenty members, or under, shall be entitled to one delegate, and one delegate for every additional fifteen members.

SEC. 2. In case all the delegates to which any church is entitled do not attend the Conference, the delegates attending may cast the full number of votes to which said church is entitled.

ART. VIII.—SEC. 1. This Constitution may be amended at any regular meeting of the Conference by a two-thirds vote of the members present, provided such amendment shall not conflict with the Constitution of the General Conference.

Passed this 20th day of May, 1863, during the Conference held at Battle Creek, Michigan, with the address on organization issued by the Battle Creek Conference of Oct. 5 and 6, 1861; also that the minutes of this Conference be published in the Review.

### MONTHLY CALENDAR

- **Neptune:** Starts on May 9 and ends on August 14.
- **Uranus:** Starts on September 16 and ends on December 6.
The word Sabbath, having reference to the law of the fourth commandment, occurs in the Bible 119 times. And in all these one hundred and forty instances there is not one hint, intimation, or shadow of a reference in regard to its supposed change. The first day of the week is mentioned only in the New Testament, and occurs eight times. But it is never called Sunday, never spoken of as Sabbath, and not in a single instance in the New Testament is it hinted that it is a holy day.

—Seventh-day Adventists believe that the third angel's message is the "present truth" for this time, and extinguishes the closing message of the gospel dispensation. The dark day in New England occurred May 10, 1789.

—And the kingdom and dominion, and the greatness of the kingdom under the whole heaven, shall be given to the people of the saints of the Most High. Whose kingdom is an everlasting kingdom, and all dominions shall serve and obey him."

Note: The future inheritance of the people of God is to be in heaven, or on earth, or in heaven and earth, or by heaven, but under the whole heaven. "Gladdened are the meek, for they shall inherit the earth."

—The passages, "Watch ye therefore: for ye know not what hour your Lord doth come, at even, or at midnight, or at the cock-crow, or in the morning. Wherefore give ye no place to the devil."

Note: This does not refer to the actual coming of Christ in the flesh, but to that awful moment when probation shall end, and God's long period of grace shall turn into judgment, and the sinner, when "he that is holy shall be holy still, and he that is filthy will be filthy still."

CALENDAR FOR NEW YORK CITY: Philadelphia, California, Missouri, Kentucky, New Jersey, Pennsylvania, New York, Maryland, & Wash'ton.

---

Those who disbelieve in the seventh-day Sabbath bring against its numerous objections, all of which are readily answered with ease excepting one true cross. This is the great, unanswerable objection to the Bible Sabbath.

The beginning of the gospel dispensation was marked by the outpouring of the Holy Spirit upon the disciples, one of the most wondrous manifestations of God's kind since creation. The dispensation will close with another like manifestation, as it is remarkable as the first. It is called in the Bible "the great refreshing," "the latter rain," "the loud voice," "the blessing poured out," and many similar expressions are applied to it.

**The Sabbath originated in Eden.** "In six days the Lord made heaven and earth, the sea, and all that is therein, and blessed the seventh day, and hallowed it."  

**The empires of Babylon, Medo-Persia, Greece, and Rome, foretold by the great image of Dan. 2, have successively arisen and passed away. We are now living in the divided state of the Roman empire, and the next universal empire will be the kingdom that shall subdue forever—the everlasting kingdom of God.**

**The word principally translated seal in the Old Testament is the Hebrew word oath, which occurs 745 times, and is translated seal about 473 times. The Bible fathers understood that life, and life and all things, both mortal and immortal, will, according to God's purpose, be sealed.**

**William Miller, the apostle of the second advent movement, was born at Pittsfield, Mass., Feb. 15, 1782. He died at Low Harwich, Mass., May 22, 1849.**

**The longest prophetic period mentioned in the Bible—the 2300 days of Dan. 8:14—extends to the year of the 10th month of the 7th month, Jewish time, of that year.**

---

**Then our great High Priest passed into the most holy place of the temple, where he has now engaged in the work of atonement for the sins of all the people.**

**There are to be two resurrection—ones of the just and one of the unjust,—and there are to be a body of believers, 1,000 years between them. Rev. 20:4-9.**

11th MONTH. NOVEMBER, 1883. 30 DAYS.
